

## Collection Center

Name of the FPO:	Reddigudem Mandal Farmer Producers Company Ltd.,
Village	: Maddularparva
Mandal	: Reddigudem
District	: NTR
Capacity of the unit in MT	:100 MTs
Activities in Collection Center	: Collecting, Grading and Packing of Mangoes – 800 MTs
Outcome/Benefit of the Activity	: Quality mangos have been exported by utilizing the Collection center facility by the members of FPC (Collected, graded, packed in plastic crates & Card board boxes and exported to other states like Delhi, Gujarat, Odisha & West Bengal). Average price is Rs. 20,000/- per Mt. i.e., Rs. 20,000/- x 800 mt = Rs. 1.60 crore. FPC commission charges @ 2% is Rs.3.20 lakh, whereas outside traders 10% and thus 8% benefit to the members.
Impact of the Activity	<p>The members of FPC have expressed their satisfaction on Collection center functioning, as the commission charges are only 2%. They have harvested and transported mango fruits to collection centers by tractors, mini trucks etc.,</p> <p>:The other operations sorting, grading, packing and transport have been undertaken by the FPC.</p>
